PROGRAM ELIGIBILITY

Park Center serves adults 18 years old and over with mental illness and co-occurring disorders of mental illness and substance use.

Qualifying Diagnoses include, but are not limited to: Major Depressive Disorder, Bipolar Disorder, Schizophrenia, and Schizoaffective Disorder.

Co-Occurring Services

Outpatient and Intensive Outpatient Programs

- Treatment programs designed to serve adults with mental illness and substance use who have had recent use and/or who need extra supports to maintain sobriety.
- Provides intensive groups which include education on co-occurring disorders, trauma, coping skills, step work and other topics which will assist them in obtaining and maintaining sobriety.
- Individual and group therapy, random drug testing, and life coaching.
- Two levels of programming, intensive outpatient and outpatient, to meet individual needs.
- Groups offered 9:00am-12:00pm Monday-Friday.

Emerging Adults Services

Emerge Program (Park Center North)

- For young adults ages 18-24 with diagnosis of severe mental illness.
- Offers skill building, social integration, recovery groups, and community outings M-F, 9:00am-3:00pm.
- **TennCare is accepted***
 - *Other payment options are also available.
- Focus on continuing education or pursuing employment.
- Not appropriate for individuals with intellectual disabilities who have an IQ of less than 70.

Emerging Adults Housing

- For adults ages 18-24 with diagnosis of severe mental illness.
- Separate male & female housing units. One female unit includes 24/7 on-site staff support. Male units require the residents to have a higher level of independence, with staff checking in several times per week.
- Must have a history of mental health hospitalization OR a history of foster care OR have very low income.
- No insurance or income requirements (*if they have income, rent will be 30% of income*).
