Residential Services

Permanent Supportive Housing

The permanent housing program focuses on increasing stability (i.e. preventing eviction, hospitalization, incarceration, and homelessness), accessing resources and employment, and increasing community involvement.

- For single, unaccompanied adults (no partners or kids) who are living with a serious mental illness or co-occurring disorder.
- Must be interested in helping to maintain a drug and alcohol free environment.
- Must have income and be able to pay daily living expenses. Rent is 30% of income in 1-bedroom units, \$375 for 2- and 3-bedroom units. Tenants will be responsible for paying electric bill.
- No insurance requirements.
- 1-, 2-, and 3- bedroom units are located throughout Nashville.
- Staff visit members in their home at least twice each month.

Supported Housing

This transitional psychiatric rehabilitation (PSR) housing program is designed to help adults who have serious mental illness learn the skills needed to transition to independent living.

- For adults living with a serious mental illness or co-occurring disorder.
- Separate men's and women's houses, with up to 8 residents each (2 people to a room); 24/7 on-site staff support.
- **Requires TennCare** & rent payment of \$500-\$600, depending on location. Cost of rent includes room and utilities.
- No time limit to services, though TennCare must continue to authorize consumer's eligibility.

We are unable to house people who are on the sex offender registry.
